

PRIVACY STATEMENT- DG Management Consulting & Marketing Ltd t/a Enable

1. Your personal data – what is it?

Personal data relates to a living individual who can be identified from that data. Identification can be by the information alone or in conjunction with any other information in the data controller's possession or likely to come into such possession. The processing of personal data is governed by the EU General Data Protection Regulation (the "GDPR").

2. Who are we?

DG Management Consulting & Marketing Limited is the data controller (contact details below). This means it determines how your personal data is processed and for what purposes.

3. How do we process your data?

DG Management Consulting & Marketing Limited complies with its obligations under the "GDPR" by keeping personal data up to date; by storing and destroying it securely; by not collecting or retaining excessive amounts of data; by protecting personal data from loss, misuse, unauthorised access and disclosure and by ensuring that appropriate technical measures are in place to protect personal data.

We use personal data for the following purposes: -

- To provide effective leadership and business development programmes to our clients
- To inform our clients of any news, events, opportunities or developments at DG Management Consulting & Marketing Limited

4. What is the legal basis for processing your personal data?

Depending on our relationship with you (e.g. clients, prospective clients, suppliers etc.), we maintain personal data on the legal basis of our legal obligations, contractual requirements or the legitimate business interests of DG Management Consulting & Marketing Limited.

5. Sharing your personal data

In certain circumstance, we need to share personal data (for example with service providers of psychometric assessments). If you agree, DG Management Consulting & Marketing Limited will share your data with trusted secure third parties who help us to conduct our business.

6. International Transfer

All personal data is stored within the European Economic Area or countries that have been designated as adequate by the European Commission. We will not transfer any data to a third country or international organisation without your explicit consent and without appropriate privacy safeguards in place.

7. How long do we keep your data?

We keep data in accordance with the guidance set out within our formal records retention policies and our legal obligations. We do not maintain data beyond what is absolutely required.
